

Workshop on ‘City Impression@Your Neighbourhood’

Introduction

In order to arouse awareness and understanding among children and youth of their neighbourhood, Planning Department in collaboration with Baptist Oi Kwan Social Service is launching various workshops on ‘City Impression@Your Neighbourhood’ during the summer holiday. ‘City Impression’ series aims to focus on charms and spirits of our territory. We encourage children and youth, including those from low-income family and non-Chinese speaking communities, to care about different people in the society and create an ideal and innovative neighbourhood through visual arts and experiential activities.

Workshop on ‘City Impression@Your Neighbourhood’ also in response to the city-wide public participation campaign ‘Hong Kong: Our Home’ becomes one of the highlights of the supporting theme ‘Caring Hong Kong’
